Resolved
- Resolved: To approve architectural submittal from homeowner of lot #192. Although the color is on the approved color list, the workmanship does not meet the professional standard approved by the community. There does not appear to be uniform paint coverage. We request that the homeowner reapply the paint so that it is even and uniform throughout.

- Resolved: To solicit bids for landscape lighting at the community entrance on Rural at Joshua for safety. Also include a request for lighting of the entrance signs to the community at Ray and Ponderosa and the sign at Rural and Joshua. Management will escort contractors on the property and point out the specifics for bid. Management will also notify the impacted homeowners of the walkthrough.
- Resolved: To use the landscape renovation proposals (irrigation replacements along Rural Road) in the budget process for 2006. Use \$20K as the budget estimate.
- Resolved: To solicit an additional bid for the perimeter wall repair proposal, South of Joshua Entrance from contractor used to repair behind lot #88.
- Resolved: To table decision on perimeter wall proposal until additional bid is received.
- Resolved: No action will be taken regarding park signs.
- Resolved: To accept the proposal from Ground Specialties Inc. Authorize \$2025.00 for all plant replacements including the area along the sidewalk of Ray. This money will come from the landscaping renovation account. Stump grinding will be billed through the normal process.
- Resolved: To approve the hard pruning proposal for those plants that will not be killed from the pruning process. Landscaper must provide a more detailed proposal for those plants which are determined to be too "woody" to survive the process.
- Resolved: To table the discussion of the remodel/renovation of the corner of Galveston and Ponderosa until the next meeting
